MEMORANDUM FOR: Special Action Staff, Operations, OSA
SUBJECT : SAC OPORD 1009
REFERENCE : WARM 0626

1. Intel will provide support by cable until the certain U-2 resources are under command of CINCSAC.

2. Intel will not provide any support personnel under this OPORD.

3. Intel Division does not see any problems at its level for the OPORD. However; in the old OPORD of two phases, Intel was responsive for targeting in the first phase until resources were turned over to SAC. We will agree to this again if this OPORD is also decided to be in two phases.
